## Standard configurations

### Performance data

Output voltage	24 V DC
----------------	---------

### Components

Colour	light grey RAL 7035
--------	---------------------

Rechargeable battery type	lead gel
---------------------------	----------

### Further data

Protection type	max. IPx6+
-----------------	------------

Relative humidity	30% - 75%
-------------------	-----------

Ambient temperature	+10°C - +40°C
---------------------	---------------

Capacity	1.2 Ah
----------	--------

Assembly options	easily replaceable by means of snap-in device, mounting plate
------------------	---
